GRUNDY ADULT HOCKEY LEAGUE

\$350 PER PLAYER

The Grundy Adult Hockey League (GAHL) is proud to introduce our new C2 league! This league is designed for certain types of players. Older players who don't feel competitive in the C league, younger players just starting out, and those that have spent some time doing clinics are well suited to this league.

The C2 league is intended to be fun first and foremost. It will also be a great place to learn hockey in a game environment. Players will be able to develop their hockey skills and transition from a clinic to a league. The games will be in the adult league format with three 15 minute periods. The level of play will be between our clinic scrimmages and "C" league play.

This league will play in accordance to USA Hockey rules. It will be "No Check" like other GAHL leagues but will have less contact than the "C" league. It will be a co-ed league. **Although beginning players are welcome, you must be able to skate forward, balance and stop.**

This league will be strongly managed. It has a board that oversees players and teams. Our motto will be "No Ringers and No Goons". The board will approve what players can play in this league.

The C2 league is different than our other adult leagues. A team can apply with up to 8 players, the rest will be from a draft. Individuals will pay the rink, not the team. **Jerseys will be provided.**

This league will work in conjunction with our Adult Clinic, not conflict with it. The clinic will be the place to learn and practice those skills that will make you a better player in the C2 league. The schedule will allow you to do both in a week to add to your hockey enjoyment.
